Fee Policy

Dear Parents:

Fees are to be paid by e-transfer each month by the 1st. Also, subsidies must be renewed BEFORE the expiry date. If this is not done, parents are expected to pay half of the fee, and then will be credited when subsidy is renewed, and daycare accounts have reimbursed me. Your child cannot attend Tigger's until your subsidy is in order. Your cooperation in this matter will help us pay our staff on time and will help many other financial commitments to be paid on time. Please sign below that you have agreed to this new policy and submit your cheques.

Thank you,

**Raymonde Foyster
Owner/Director**

NEW FEE POLICY

I agree to pay my monthly fee by the 1st of each month through etransfer or cheque if needed. If I am on subsidy, it is my (the parent's) responsibility to ensure that the subsidy is renewed before the expiry date. If this is not done, I will pay the full amount owed by the 1st of that month and then will be credited by Tigger's. There will be a \$25.00 charge for any NSF cheques. There will be a \$50.00 charge for any late fees received after the 1st. (This WILL be enforced).

--

1) LATE PICK UP

If a guardian has not picked up a child or has not called by 5:30pm the caregiver will try to contact the family and then alternative person/s from the authorized pick-up list. If that person is unavailable and the parent has not contacted the caregiver by 6:00pm, the caregiver is required to notify the Ministry for Children and Families. A late fee of \$50.00 will be applied for each child picked up after 5:30pm. If late pick up is an ongoing problem and reasonable effort has been made by staff to solve it, then notice of termination of service may be given.

2) UNAUTHORIZED PICK UP

The guardian is required to notify the caregiver in writing if someone else will be picking up the child. If the caregiver does not know the person picking up the child, information about the person will need to be provided (name, phone number, physical description). The person will be asked to show photo identification. If an unauthorized person arrives to pick up a child, the child will remain under the supervision of the caregiver. The caregiver will speak to the individual and explain the policy that no child will be released without written authorization from the guardian. If difficulties arise, all reasonable efforts will be made to ensure the safety of the child and other children. If necessary, the police will be called for assistance.

3) ALLEGED IMPAIRED PICK UP

It is the caregiver's responsibility, to the extent that it is possible, not to release a child to an authorized person who is unable to adequately care for a child. If the caregiver believes that a child will be at risk, the caregiver will offer to call a relative or friend to pickup the person and child or offer to call a cab to pick them up. If the person is driving a vehicle, the caregiver will explain that driving while under the influence of drugs or alcohol is against the law and that the caregiver is obligated to ensure the safety and well being of the child. If the presumed impaired person chooses to get in the car with or without the child, the caregiver will immediately notify the police and provide description of the car and geographic vicinity. If the caregiver believes that the child needs protection, the caregiver will call the Ministry for Children and Families.

4) CUSTODY AND RELATED COURT ORDERS

If a custody or court order exists, a copy of the order needs to be placed in the child's file. The guardian is responsible for providing accurate and up to date information concerning the legal guardianship of the child. Without a custody or court order on file, the caregiver cannot deny access to the non-enrolling parent. If the non-enrolling parents are not listed on the authorized pick up list, the policy on unauthorized persons will be implemented. The guardian will provide all consents.
