Dear Parents,

Welcome to August at Tigger's! During these hot summer days, please remember to ensure your child has sunscreen, a hat and water bottle with them at the center, as well as appropriate attire for warmer days to prevent over heating! We have been enjoying a fabulous summer with lots of outdoor activities and group games, adventures and nature exploring! Our summer camp is in full swing, and we are very excited for more fun to come, including our annual trip to the Vancouver Waterslides! Please watch for an information notice to ensure you child is ready for the field trip. At our other centers we've been spending our days filled with themed crafts and seasonal activities! Remember fall is just around the corner and our Afterschool care centers will be reopening in September so secure your spots now.

## Important Dates:

**August 25:** Vancouver Waterslides Trip with Friends of Tigger's Summer Camp!
